# Ride Metrolink and More for Free on Feb. 4

Feb. 4 is Transit Equity Day. In honor of Rosa Parks' birthday, it's a day that promotes making transit affordable and accessible to people in all communities.

Fares will be free Feb. 4 on Metrolink trains throughout Southern California. All you have to do is simply arrive at the station and board the train (no ticket required) to ride Metrolink all day, anywhere it goes.

Rides are free for the day on Metro Bus and Rail and Bike Share.

People in San Bernardino County can also board their local bus for free for the day. This includes Omnitrans, Morongo Basin Transit Authority (MBTA), Mountain Transit, Needles Area Transit (NAT) and Victor Valley Transit Authority (VVTA).

### Metro Introduces Team of Roving Customer Service Pros

To make riding Metro Bus and Rail easier and safer, Metro now has a team of roving customer service pros who are out and about to aid customers. You might see one at your station or aboard your train or bus. You'll recognize them by their bright lime shirts marked "Ambassador."

Trained extensively, they can provide directions, answer questions and lend a helping hand. They'll call support services for unhoused riders and customers with mobility challenges. Ambassadors will also summon maintenance, transit security or law enforcement.

Say hello to them—they're there to help!
